

Sheri Sandison Encouragement Award

This annual award, first presented in 2011 was in recognition of the key role Sheri Sandison played in the formation of the Australian and New Zealand Society for Vascular Nursing and becoming the inaugural Chairperson/President. While now retired; Sheri continues to be a role model; someone who made a difference in the lives of people with vascular disease.

This annual award is for an individual member who identifies with vascular as a career pathway and is a valuable opportunity to recognise ANZSVN members who are “coming up through the ranks” in their local workplace.
